Handwriting Font Maker template

Use a dark pen (black or dark blue). Write each character once, between the dotted line and the solid line:
small letters sit on the solid line and reach the dotted line, capitals and tall letters go above it, descenders go below.
Do not touch the grey frames. Then photograph the whole page flat and in good light, or scan it.

A	B	C	D	E	F	G	H
I	J	K	L	M	N	O	P
